Google Developer Student Clubs

Font Size: 20px  
Width: 65%

Google Developer Student Clubs are university based community groups for students interested in Google developer technologies. Students from all undergraduate or graduate programs with an interest in growing as a developer are welcome. By joining a GDSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community.

About GDSC, CBIT

Font Size: 16px

GDSC CBIT organizes various activities such as workshops, hackathons, and speaker sessions to help students learn and improve their skills. GDSC aims to empower students to become proficient developers, provide them with a community of like-minded individuals, and give them exposure to industry professionals and opportunities.
